

JUNE 2022

SP KES

SPEAKING TO AND FOR ALL OUR CHURCHES

Hi folks,

The beginning of June marks the Platinum Jubilee of the Queen – 70 years on the throne, far more than any previous monarch. Throughout her reign she has served this nation with great dedication and distinction. One of the inspiring things about her is her faith, about which she has increasingly spoken during her annual Christmas Day address to the nation.

During the Jubilee weekend, each of the villages will be running events to mark the occasion. As a church, we will have an evening service to celebrate the Queen's

lifetime of dedication on the Thursday, the day of the anniversary.

Thursday June 2nd 7:30pm

Edington Church

Service to celebrate the Queen's Platinum Jubilee

I'm writing this a few days after the Wildlife Photography Exhibition, a hugely successful event that attracted hundreds of people from across the county, to admire the wildlife within our local area. I am hugely grateful to all those who have contributed to making the event such a success – especially the photographers, our wonderful café team, and all who visited.

Starting on Wednesday June 1st, we will be running a three-week course (one evening a week) called Hope Explored, for those who aren't churchgoers (see ad inside). We all need hope in our lives – so where do we get real hope from? This course explores that question.

Every blessing,

Rich Tweedy
